EDUCATION

GL BAJAJ INSTITUTE OF TECHNOLOGY

Greater Noida, Uttar Pradesh

Nov 2022– Present

Btech - CGPA - 7.57

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Python, JavaScript
- **Frontend:** HTML, CSS, React.js
- **Backend:** Node.js, Express.js
- **Databases:** MySQL, MongoDB
- **Version Control:** Git, GitHub
- **Tools & Platforms:** Docker, VS Code
- **Other:** REST APIs, JSON, POSTMAN

PROJECTS

Plant Recognition System | [Node.js](#), [Express.js](#), [Gemini API](#), [MongoDB](#), [HTML](#), [JavaScript](#) Apr 2025

- Developed a full-stack web application to analyze user-inputted plant descriptions and identify plant names, uses, and commercial potential using Google Gemini AI.
- Built a RESTful API with Node.js and Express.js, integrated Gemini API for NLP-based plant analysis, and designed a responsive frontend with HTML, CSS, and JavaScript.

AI SaaS Automation Tool | [React.js](#), [Node.js](#), [OpenAI API](#), [MongoDB](#), [Express.js](#) Mar 2025

- Built an AI-powered SaaS platform that automates repetitive business workflows such as content generation, task management, and query handling using OpenAI APIs.
- Implemented secure user authentication, dynamic data handling, and role-based dashboards with full-stack integration for real-time AI task execution.

INTERNSHIP

CodSoft

Web Development Intern

May 2025 – June 2025

Virtual, India

- Completed a 4-week internship focused on front-end and full-stack development using modern web technologies.
- Built and deployed real-world projects including:
 - E-commerce Website – dynamic product listing, cart system, and checkout interface.
 - Calculator – responsive design with complete arithmetic logic.
 - Portfolio Website – personal branding site with projects and contact form.
 - Weather App – real-time weather updates using OpenWeatherMap API.

ACHIEVEMENTS

Build with India Hackathon

Participant

2025

National Level

- Successfully cleared the first round of the prestigious Build with India Hackathon, demonstrating innovation and teamwork under time-bound challenges.
- Received participation certificate for presenting a tech-enabled solution as part of the event.

Hackfest by SAP

Participant

2025

Virtual

- Participated in Hackfest organized by SAP, collaborating with peers to solve real-world problems through creative software-based approaches.
- Earned a participation certificate for active contribution and teamwork.

EXTRACURRICULAR

Independent Poetry Community

Host & Event Organizer

Jan 2022 – Present

Multiple Cities, India

- Hosted 150+ Open Mic Poetry events, promoting creative expression and literary engagement.
- Led event planning, promotion, and execution to build a vibrant artistic community.
- Enhanced public speaking, confidence, and audience interaction skills.
- Built strong creative networks and encouraged youth participation in storytelling.
